Hey bill. I just wanted you to know that we tidied up the formatting a bit and I added goal letters and objective numbers, as well as slide numbers. This is the version we are printing for packets and sending along to johnny's assistant to load into her laptop for presentation purposes.

Blair,

Attached is the power point for Monday's MT meeting. Note that I have included the entire plan per your request. However, it is the parts highlighted in BLUE on which I will focus.

By early tomorrow afternoon, someone from the office will deliver to you the following inserts for your meeting packets:

- Annual report
- OSC informational cards
- Symposium invitations

Remember that I will be out of pocket tomorrow. If you need anything else, let Sam or Linda know.

Three other notes:

- Harold and Peppa met today and are set to go.

- I had a good meeting with Jim Boyd Tuesday. I will brief you at some point. I think everything is fine.

- I have notified Janice that her services will no longer be needed after July. She was very gracious.

Linda, I added the inserts and Bill has done his first go-over. He has a hard copy of the second revised draft. I've saved this in the M drive under POWERPOINTS, with this name: *POWERPT -FEDEX- 6-11-2018-BP edits*. But I also have attached it here in case you want/need to work on this out of the office.
